INFORMATION DISCLOSURE STATEMENT TRANSMITTAL LETTER

Sir:

In fulfilling the duty of candor and good faith, the following documents
are hereby disclosed to the Patent Office in accordance with 37 CFR § 1.56. It is
not admitted that the information in the listed documents is material to
patentability as defined in 37 CFR § 1.56(b). The Examiner is requested to
consider the documents in the examination of this application.

An Information Disclosure Statement by Applicant (PTO Form 1449) is
submitted herewith, in duplicate, pursuant to 37 CFR §§1.97-1.98. The
Examiner is requested to return an initialed and signed copy of the form once
the documents have been considered.

The enclosed statement is being filed before the mailing date of a first
Office Action on the merits.

The documents listed on the accompanying Form PTO-1449 were cited by
the European Patent Office in the European Search Report for European

Application No. 04 252 174 which is a counterpart for this application. The documents were cited in categories "X" ("document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone") and "Y" ("document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art"). A copy of the European Search Report is attached.

A copy of each of the documents is being submitted.

If a fee is due in connection with this communication the Commissioner is authorized to charge any fee or additional fee due in connection with this communication to Deposit Account No. 23-1950.

Respectfully submitted,

T. Winslow
Applicant
